To achieve this, we always work with a long-term vision based on partnership and mutual trust. All this within a frame of reference of strict professional ethics.

Namezzz® franchise network

The power of a network around talent acquisition

Our franchisees benefit from the network, extensive experience and proven working methods. Search & Selection can count on your expertise and knowledge of the market.

You take part in a leading initiative by working together with a network of entrepreneurs via a unique collaboration platform.

Search & Selection helps and supports you in all processes, so that you have more time for your core business: the customer and the candidate. We provide in-depth training and guidance on the latest working methods, useful concepts and the high-performance online Namezzz® platform.

Namezzz®

A virtual HR consultancy on your laptop

With the Namezzz® expert system, Search & Selection has developed a state-of-the-art online platform on which data from candidates, organizations and projects interact dynamically with each other. Namezzz® is GDPR compatible by design. This system streamlines the entire HR process by minimising time-to-market, standardisation and traceability of the work process and optimising the flow of feedback. Namezzz® can be seen as a virtual HR consultancy, allowing you to work completely mobile. A computer and an internet connection are sufficient to start working as a Talent Acquisition Manager. Available in 3 languages (NL-FR-EN), Namezzz® is the foundation of the franchise partnership and your guarantee of success.

International scope

Talent knows no boundaries

An extensive network creates the demand for international recruitment, cross-border recruitment campaigns, international job marketing and employer branding projects. The Namezzz® partnership will strengthen your international reach and network and allow you to follow your customers abroad.
