

DACRO B.V.
"INNOVATIVE BULK
LINER SYSTEMS"

SIGNODE INDUSTRIAL GROUP

Our client, **DACRO BV**, is a leading worldwide manufacturer and supplier of woven container linerbags for the bulk transportation of Petrochemical and Food products. **DACRO** (www.dacro.nl) provides a better, more cost-effective way to ship by developing and manufacturing liner systems that convert standard cargo containers into contamination-free bulk shipping units in minutes. As part of the *Protective Packaging Solutions Platform* of the reputed diversified and leading international **Signode Industrial Group** (www.signodegroup.com) the company is meeting the special demands of customers by designing and manufacturing custom liner systems using "in house", state-of-the-art computer design technology.

To strengthen the Protective Group's Finance & Administration team in Best (The Netherlands) we have an interesting position available for an experienced (M/F) :

Assistant Financial Controller **Part-Time (60%)**

MISSION

You will report directly to the Controller of the global Airbags and Container Liners division within the Protective Group and you will engage in all kinds of financial and fiscal tasks, including local and corporate accounting, financial reporting and the development of internal control policies and procedures.

Your responsibilities include :

- Managing all accounting operations, including Billing, A/R, A/P, GL, bank and Counsel, Cost Accounting, Inventory Accounting and Revenue Recognition.
- Preparation and timely publication of monthly financial statements.
- Coordinating the preparation of regulatory reporting.
- Researching technical accounting issues for compliance.
- Supporting month- & year-end closing processes.
- Ensuring quality control over financial transactions and financial reporting.
- Managing compliance with local, state and governmental reporting requirements and tax filing.
- Developing and documenting business processes and accounting policies to maintain and strengthen internal controls.
- Additional accountant duties and ad hoc projects as required.

PROFILE

- For this position we are looking for candidates with a degree in Finance/Accounting and a relevant experience in an all-round supporting role as Accountant or Assistant Controller.
- You have a thorough knowledge of accounting principles and procedures.
- You are experienced in creating financial statements, in general ledger functions and in the month/year-end closing processes.
- You have excellent administrative, organisational and communication skills.
- You have the ability to prioritize your own workload and to take initiative.
- You are an advanced user of Excel and accounting software.
- You have experience with working in an ERP environment with knowledge of Exact Globe Next or similar as a plus.
- You are fluent in Dutch and English.

OFFER

DACRO offers long-term career opportunities in an exciting and professional work-environment with a reputed international group and marketleader. You can look forward to a competitive remuneration package with benefits.
