

SIGNODE INDUSTRIAL GROUP

Our client, **V.A.C. BV**, located in Best, is the legal entity with three units in the Netherlands : **Van Antwerpen Cartonnage**, **Angleboard** and **Cader**. **Van Antwerpen Cartonnage** (www.vac-bv.nl) was established in 1954 and is today considered as one of Europe's leading producers of heat sealed paper products used in a large variety of markets. Strong and long lasting partnerships with solid suppliers and distributors throughout Europe helped **V.A.C.'s MONOTUB Concrete Column** forms become the standard in the construction industry. **V.A.C.** also manufactures high quality paper cores for the stretch film and packaging industry in addition to *Litec* Edgeboards and Edgeprotectors for protective packaging. **V.A.C.'s** decision to mainly use PE coated papers makes their products highly moisture resistant and strong. Together with sister companies **Cader** (Best) and **Angleboard** (Nuenen), **V.A.C.** is part of the *Protective Packaging Solutions Platform* of the diversified and leading international **Signode Industrial Group** (www.signodegroup.com).

To strengthen the Protective Group's Finance & Administration team in Best (The Netherlands), **V.A.C.** has an exciting position available for an experienced, talented and ambitious (M/F) :

Assistant Controller

MISSION

You will report directly to the Controller Paper & Plastics Europe and you will engage in all kinds of financial and fiscal tasks, including local and corporate accounting, financial reporting and the development of internal control policies and procedures. Your responsibilities include :

- Managing all accounting operations, including Billing, A/R, A/P, GL, bank and Counsel, Cost Accounting, Inventory Accounting and Revenue Recognition.
- Preparation and timely publication of monthly financial statements.
- Coordinating the preparation of regulatory reporting.
- Researching technical accounting issues for compliance.
- Supporting month- & year-end closing processes.
- Ensuring quality control over financial transactions and financial reporting.
- Managing compliance with local, state and governmental reporting requirements and tax filing.
- Developing and documenting business processes and accounting policies to maintain and strengthen internal controls.
- Additional duties and ad hoc projects as required.

You will gradually take on more Finance & Administration responsibilities from the Controller and in due course become member of the local management team.

PROFILE

- For this position we are looking for candidates with a higher degree in Finance/Accounting and a relevant experience as Financial Controller or Accountant, preferably in a production environment.
- You have a thorough knowledge of accounting principles and procedures.
- You are experienced in creating financial statements, in general ledger functions and in the month/year-end closing processes.
- You have excellent administrative, organisational and communication skills.
- You have the ability to prioritize your own workload and to take initiative.
- You have strong interpersonal skills and you have the ambition to grow into a more responsible and leading role.
- You are an advanced user of Excel and accounting software.
- You have experience with working in an ERP environment with knowledge of Exact Globe Next or similar as a plus.
- You are fluent in Dutch and English.

OFFER

V.A.C. offers attractive long-term career opportunities in an exciting and professional work-environment with a reputed international group and marketleader. You can look forward to a competitive remuneration package with benefits.
